PREZ'S CORNER.

Hello to all our Tri-State Members,

It certainly is a great time to be a member of the Tri-State Chapter of the Professional Car Society. Every month we have been having an activity, and such a fun time at each outing with a nice turnout of our members!

July was our annual picnic at North Park in Pittsburgh, and in August, we met at the Jefferson Memorial Cemetery for their 10th Annual Car Show. There were about 8 professional cars there, joining in with 150 other very interesting collector cars, making the tenth year their largest showing ever. The cemetery even presented an award for the best Pro-car, which was won by our own Mike Hennessey for his 1990 Superior Chevy hearse. There were quite a few people interested in our cars, we received a lot of good publicity, the weather was nice, the pizza was great, and it was a wonderful day.

September saw us participating again in the 4th Hearsemania, this year at Weston, W.Va. The two day event could not have been nicer, we had a number of Tri-State members attending with their cars, and, overall, the quality of cars seems to be improving. There were lots of interesting hearses to look at, people to watch, and tours to take through the old insane asylum. Needless to say, we made quite the splash in the little town of Weston!

October will be our annual fall meeting at the Schoenecker Farm, and I'm sure there will be plenty of good food and a good time to be enjoyed once again. Before you know it, it will be time to tuck the cars away for a long winter's nap, so come on out on the 15th for the final chapter event of the year!

Hope to see you then,

Phil

Congratulations to **Mark & Chris Kennedy** on their 6th wedding anniversary.

Also

Please include TSC member **Chester Zygowski** in your prayers for speedy healing. He is dealing with lymphedema in both legs.

Our thoughts and prayers are with you Chester.

THIS MIGHT MAKE YOU CHUCKLE. . . .

I DON'T KNOW HOW YOU ARE, BUT I FIND MYSELF READING THE OBITUARIES IN MY LOCAL NEWSPAPER.

I HONESTLY CAN'T SAY WHY, OTHER THAN TO KNOW WHAT THEY DID DURING THEIR LIFETIME, THEIR JOB, WHAT ACTIVITIES, HOBBIES, OR WHAT ELSE INTERESTED THEM.

ANYWAY, I FOUND THE FOLLOWING OBIT TO BRING A CHUCKLE TO ME. I ALSO HAVE TO ADMIT MY OWN CHILDREN COULD HAVE WRITTEN THIS ABOUT THE STUFF WAYNE AND I COLLECTED/ACCUMULATED DURING OUR 53 YEARS OF MARRIAGE.

THE LADY'S OBIT - THIS LADY EITHER HAD A GREAT SENSE OF HUMOR, IF SHE WROTE HER OBIT HERSELF, OR HER CHILDREN DEALT WITH HER PASSING IN THIS WAY TO DEAL WITH THE OVERWHELMING SITUATION OF DISPOSING OF ALL HER STUFF WITH HUMOR. HOPE YOU ENJOY IT, AS THE WAY WHOEVER WROTE IT – MEANT IT TO BE. ---Eileen

Linda L. Bailey

Linda L. Bailey, 72, passed away peacefully at her home in bed on March 8, 2022. It is believed it was caused from drinking too much Rum Chata to help her cure her illness.

She left behind a hell of a lot of stuff to her son and daughter, who have no idea what to do with all of it.

So, if you're looking for a lot of antiques, furniture, a 2021 Buick Enclave with 5,000 miles, and a ton of shoes and purses, you should wait the appropriate amount of time and get in touch. Tomorrow would be fine.

This is not an ad for QVC, HSN or Amazon Prime, whose profits will dip after the loss of a VIP customer, but an obituary for a great woman, mother, aunt, sister, grandmother, great-grandmother and friend.

She was preceded in death by her beloved father and mother, Donald M. Niedergall and Mary Lou Niedergall.

She is survived by her husband of 54 years, Leonard N. Bailey; a daughter, Carrie L. (Ray) Maylone; a son, Dayne N. (Christy) Bailey; and her grandchildren, Raymond L. "Tre," Shaye R., Bailey R. and Kaden N.; and two great-grandchildren.

BAILEY — Friends of Linda L. Bailey, who died Tuesday, March 8, 2022, will be received from 2 to 4 p.m. and 5 to 7 p.m. Thursday at St. John's Burry's Church, 1835 PA-68, Rochester, Pa.

A funeral service will be held at 10 a.m. Friday at the church with the Rev. John Fanella officiating.

Linda will be laid to rest at St. John's Burry's Church Cemetery in New Sewickley Township.

Arrangements are under the direction of **BOYLAN FUNERAL HOME**.

In lieu of flowers, donations may be made to the church.

In the next issue will be more pictures (car pictured on front cover) from the Jefferson Memorial Cemetery Park car cruise, and some photos from Harsemania. Both were great shows.

Try This...

Submitted by Myrna Bianco, a Faithful Our Town Reader

How smart is your right
foot?

This is hysterical. You have
to try this.

It is absolutely true. I guess
there are some things that
the brain cannot handle.

1. While sitting in a chair, lift your right foot off
the floor and make clockwise circles.

2 Now, while doing this, draw the number '6'
in the air with your right hand. Your foot will
change direction.

I told you so! And there is absolutely nothing you
can do about it! You and I both know how stupid
it is, but before the day is done you are going to
try it again, if you've not already done so.

Even though it was an extremely hot day, the show was well attended, and we enjoyed talking to spectators about our professional cars. We even met Jim Jones (not the reverend) who knew the family in the article – ‘Ohio man fulfills promise’, in the summer issue of The Livery. There was a discussion about touring the Hawk family Victorian home in E. Rochester Ohio. Sounded like a nice adventure. Will keep you posted if one is planned. *

My cousin who spotted this on the Classic Motorcycle Community link on the internet sent this photo to me. She thought it would be of interest to TSC members. I think she is right. This is an early ambulance operated by St. John. (city-state unknown) The patient was placed in a coffin-like sidecar and the lid was closed for transport.

Some brain/mental exercise work for you during the winter months.

See if you can figure this out until I send answers in the next issue of the newsletter.

Change the word 'Winter' into 'Summer'

At the top of a sheet of paper, write the word WINTER.

Now change one letter in Winter to form a new word.

Keep doing that until you have in 14 moves, changed winter into summer.

Each move must produce a new word. Have fun, but do not get stressed!
