PREZ'S CORNER.

Hi Tri-State Members.

I just got home from our annual picnic at North Park, and, although our numbers were few, those of us that were there certainly enjoyed the beautiful afternoon. Not quite a dozen of us gathered under the pavilion, as a nice breeze blowing in from the lake kept us comfortable all afternoon. The tables, organized by Chris Kennedy, were overflowing with a wonderful variety of good food. Grill Master Mark was at the top of his game, with the burgers and hot dogs done to perfection!

During the picnic, we discussed several upcoming activities that members of the chapter are interested in participating in. They include:

Butler Mega Cruise at the Butler Airport – July 8th

Hovis Car Show in Mercer, starting at 10 AM July 22nd

International Meet in Morgantown, Pa., August 8 - 12

Jefferson Memorial Cemetery, South Hills, Sunday, Aug. 13th, 11 – 3 PM

Moon Township Cruise – Moon Park, Sunday, August 27th, 11 - 6

Hearsemania - Weston WV, September 21 - 23

Fall Picnic and Meeting at the Schoenecker Farm in October

While we realize not everyone can participate in every activity, it certainly gives us a number of opportunities for exposure to others about the beauty and uniqueness of our professional cars.

We hope you'll take advantage of some of these outings, as well as local shows in your own neighborhood, to spread the word about the Professional Car Society. If you need more information about any of the outings listed above, please contact Eileen or me anytime.

Enjoy your summer - looking forward to seeing you soon.

Sincerely,

Philip

~~~~~  
**WELCOME!**

**TSC NEW MEMBERS**

Welcome to **Debbie and Jerry Beck** on becoming new members to the Tri-State Chapter. Always happy to have new members who also want to preserve and restore professional vehicles. Debbie & Jerry, if you ever have any questions with our chapter or events get in touch with Philip, Chris, Chester, or Eileen. Contact info on inside front cover of this issue.

My sincere apology for making an error on listing Chester's wife as Phyllis instead of Sylvia in the spring issue of The Livery. **Chester's wife's name is Sylvia!**

I have never met Sylvia but she is a saint and very forgiving. As a joke, Chester was calling her Phyllis and she would not answer him. Gosh, I wonder why?

They are a great couple and to be able to joke around is a wonderful sign of their fantastic marriage and their loving family whom they are very proud of for sure.

So below is the correction with the reprint. Sorry for the error. Eileen

---

**Chester & Sylvia Zykowski** proud grandparents.

With Memorial Day coming around the corner, I wanted to include **Chester & Sylvia Zykowski's** grandsons in their patriotic photos. A while back, I e-mailed a video of a 'Boy on the Beach' to Chester. If you haven't viewed it – it is a very touching patriotic video of a young boy standing all day with a flag and saluting. And as a veteran himself, Chester, proud to be an American, sent along photos of his two grandsons who are also proud to be American, and who support our flag and military.

Nathan Clydesdale  
at 6 years old

and brother Connor in Chester's driveway Veterans day November of 1971-when he was 2 years old

## Do You Ever Wonder – Am I Getting Old?

Sometimes you wonder, am I getting old! The answer is YES! Especially when you buy things that you already have. I bought 2 Henney models with boats on top of the roof. When they arrived, I didn't care for them with the boats. When I contacted the seller, he said, what you see is what you get. When I put the same model on the shelf, one of the boats fell off clean, like it was never there. When I put the same model on another shelf, there was another Henney Station Wagon sitting there. I forgot I bought a Brookline model from England. Now I have 3 models of the same kind. I wonder what is in store for me next!!

FPM

**Francis P. Marasco**

While glancing through Uncle George's Studebaker book, I noticed the model section and realized I have all the models, except the Big 1/24. I have attached the pictures of the models for your enjoyment. FPM

Attending Tri-State members at the spring meeting:

**Mark & Debbie Teague, Jeff Hewlett, Eileen & Wayne Schoenecker, Mark & Chris Kennedy, Chris Hetler, & John Ehmer**

Unfortunately, quite a few members had issues pop up that made it impossible for them to attend. Hope they will be able to attend the fall meeting.

# Have you Ever?

---

By: **Chester Zygowski**

This is my son, Keith back in 2000 when he worked for Comcast, a new cable TV provider. He went on a service call and while there, he kept hearing strange animal noises coming from a room in the house. He asked the lady what was making those noises, and she explained that she was a curator at the Pittsburgh Zoo, and she was taking care of 2 lion cubs that the mother rejected. She took them home and turned an extra room into a den for those two cubs.

My son asked if he could see them and she took him into the room. Keith said they were not aggressive yet, as he played with them, petted them, belly rubbed them, and all the while they purred and played like two kittens. She asked if he wanted a picture with them and he said, "Definitely."

Here is the photo. I often wonder if he could hold them the same way today, without being eaten. The cubs were sent to another zoo, so we never were able to follow their growing up.

When was the last time you held two lion cubs?

**Chester Zygowski**

## Another One Gone

Update on a vehicle owned by **John Ehmer**. His 1956 Comet Oldsmobile is going to Wisconsin to the new owner Rocky Fluegee. **Mark Teague** helped to get it loaded.

Gee I wonder at this time if the space is already filled.

## Wheels of Steel ARMCO Park Car Cruise

**Wayne & Eileen Schoenecker** attended the 3<sup>rd</sup> Annual Armco Park Car Cruise on June 4th. Unfortunately as you probably noticed reading the story before this one that it was on the same day as the H. P. Brandt car cruise. All of us are unable to be in two places at one time. So it was great that there were some TSC members that were able to attend atleast one of the different events.

Wayne drove the 1998 Cadillac DeVille Hearse

I drove the 1981 Cadillac DeVille flower car. When you drive in you are given a ticket. My ticket number was picked during the day and I won a \$25 gift card to the local Chop Shop restaurant. Yay!

It was a lovely day and so many inquisitive spectators about the flower car. And we even had some people interested in the Professional Car Society and our chapter. Hoping to get a few new members.

# Bridgeville Day on the Avenue

It was a nice Father's Day weekend in Bridgeville for a car cruise according to **Joe Kauer**

TSC Member **Joe Kauer** displayed his 1964 Oldsmobile Ambulance. Model 98 Cotington Series

Photos courtesy of: John Ehmer

**HEADS-UP** for to what is coming to Pittsburgh PA - **Pittsburgh Oddities & Curiosities Expo 2023** at the David L. Lawrence Convention Center, Pittsburgh PA Saturday August 26, noon to 7pm. Contact John Ehmer for any information 412-969-7240

## H. P. Brandt Funeral Home Car Cruise

**John Ehmer & Sue Hufnagle** traveled to the H. P. Brandt Funeral Home Car Cruise after their stop at the Bridgeville Day on the Avenue Car Cruise. Here they displayed their 1961 Cadillac Limousine.

They were given a nice prominent position to display their professional car.

This list of events **Chris Kennedy** passed out at our last TSC meeting to members in attendance. So, since some members were unable to attend, if you are a local member and would like to attend one of these local events, contact Chris, Phil or Eileen to see if anyone else is going to attend. As of this printing, members will be attending the 7/8 Butler Mega Cruise at the Butler Airport and the 7/22 Hovis (Toys for Tots) Car Show (Grove City area) Mercer PA. Other events members are planning to attend, just not confirmed as of yet.

Hope you attend events that are in your area, state. If so, take pictures and send them to me. Have Fun!
