

## **ADDITIONAL USEFUL-TO-KNOW PCS MICRO-MEET WEEKEND INFORMATION**

A tip to help you avoid mounting frustration: if you copy and paste our hotel booking link listed on the Micro-Meet invitation into your browser, and it doesn't take you directly to our booking site, copy and paste the url into Chrome instead. Also please note that the link contains two "ques" NOT two "gees."

If you are not local to the area and plan to arrive/depart by car, the hotel is just south of I-70; take the MD 85 exit from I-70. If you Google the hotel, please note there are TWO Hampton Inns in the Frederick area. You need directions to the [hotel located on Buckeystown Pike](#).

If you plan to travel to/from the area by train or plane: your arrival/departure point should be Baltimore-Washington International Airport (BWI). It's a shorter distance and travel time than from the other two area airports, with less traffic. The driving trip between BWI and the Hampton Inn in Frederick takes about an hour.

You can prebook ground transportation for yourself or the group traveling with you or whose arrival/departure times are close to yours with On the Town Limousine, a private limousine service located about two blocks from our hotel in Frederick. On the Town Limousine's phone number is 301 695 5466.

Or you may opt to rent a car at the airport.
